

## Getting Started

If you have been thinking about trying flamenco but still feel a bit intimidated, feel free to come by our studio and sit in to watch one of our classes. If you want to try out a class there are some drop-in classes that you can jump into. Just give us a call and we can advise you which one is best for you.

Then, you just have to come to the studio 10 or 15 minutes before for a quick registration, get ready in our changing rooms and start right away.

If you are not sure what class to take after looking at our schedule, feel free to call us at 416-595-5753 or email us at [academy@flamencos.net](mailto:academy@flamencos.net)

## What to wear?

For your first class you can wear comfortable clothes that allow you to move freely (sweatpants, tank top). If you do not have flamenco shoes you can bring character shoes, or any dress shoes that are closed in the toes, with a 2" pump heel (wide one) and ideally with a hard sole so you can make some noise!

No sandals, No runners!

If you need to purchase shoes for class, we sell authentic flamenco shoes imported from Spain. Please call to make an appointment.

## How to register and pay?

You can fill in a quick registration form on-line, which you can find under the Academy section of our website. You can also register in person by dropping off your form at the studio.

We have different payment options including a 10-class card, a session card, or a drop-in rate to pay as you go. You can mail us a cheque with your registration or pay at the studio right before your class. We accept cash or cheque only, no debit or credit cards.
